**To Whom it Concern :**

Alpine Golf and Sports Club is one of the world's most spectacular Golf course. Situated on Pratumtan province 30 miles north of Bangkok. In 2002 the course was first tested by Tiger Woods and Top PGA pros. Golf in an event call the Johnny Walker Open.

Sun Patipaksiri who was a project manager or the Deputy Managing Director position. He has been employed 1990 - 1997 from the beginning of the project. His duty was responsible to the following :

- Golf course designer coordination.
- Time schedule for planning and construction phases.
- Budget covering planning and construction cost.
- General discussion of major construction process.
- Plans and specification.
- Orientation and training caddies.
- Director of Golf Operation when course open to play, and etc.

We thanks you very much of what he has done, but Alpine Golf is the most famous Golf course to day.

Sun Patipaksiri is dependable and without reservation to rehire.

Sincerely Yours,

( Somsuk Gnowsiri )

Managing Director
